Know what you want, but don't have the design skills or software?

Let our qualified and experienced graphic design department create a visual masterpiece for you. It is crucial that your business conveys a consistent message in all of its activities. We can work with you to create a style that reflects your business and helps you to differentiate yourself from your competitors.

As the saying goes, first impressions last. That is why it is important that all aspects of your printed material, from business cards and stationery to brochures and advertising material, convey the same consistent and professional message.

No matter how big or small your design task is, we have the skills and experience required to exceed all of your expectations.

Let us do the hard work for you!

Fast, flexible solutions

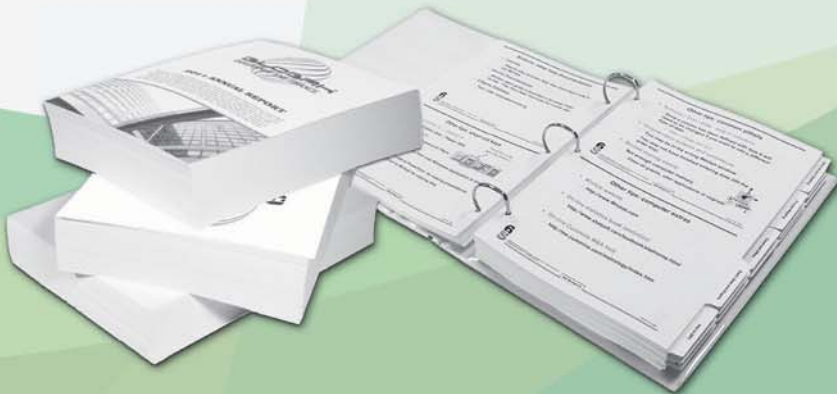

No matter what you're looking at getting printed, chances are we've done it before. From simple flyers to complex jobs requiring a variety of media and finishing options, we have the skills, experience and equipment to deliver results that suit your job.

printing services

Latest technology

Using the latest in production level digital presses, we are able to produce a wide range of material such as flyers, brochures, newsletters and annual reports, on a variety of quality coated and uncoated stocks. Whether you are looking for only a few colour prints or tens of thousands, we have the ability to produce high quality, fast turnaround jobs to meet your urgent needs.

Black & white

Using the latest in Xerox Digital technology, we are able to produce black and white prints with razor sharp quality on the whitest of papers. Even the most basic of jobs can be jazzed up with the use of tab dividers, labels and coloured pages, all while maintaining the cost-effectiveness of digital black and white printing.

These include:

- Short run books
- Workshop manuals
- Jobs cards
- Price catalogues
- Menus
- Flyers
- Newsletters

Say it in colour

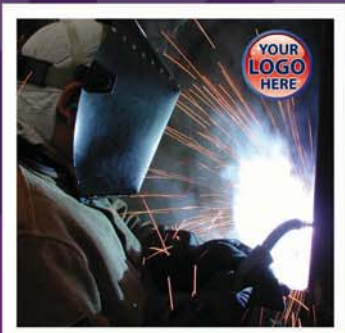

Colour is fast becoming the quintessential way to communicate your corporate message. Colour has the ability to create moods, represent feelings and portray a message more clearly. We can advise on the right stock, layout and finishing options that suit your job.

marketing material

4

Promoting your business has never been so easy. We produce a wide variety of marketing material that will get your business noticed and give you more time to focus on growing your business.

Why not consider:

- Brochures
- Leaflets
- Flyers
- Catalogues
- Marketing collateral
- Menus
- Stickers
- Die cut material
- Presentation folders
- Promotional printing

Don't forget, our design department can assist you in developing promotional material with that extra "wow" factor.

It is absolutely crucial that your business conveys a consistent, professional image in all of its printed material. Everything you give to your clients creates an impression and it is important to brand your identity appropriately. Just some of the many types of corporate identity material that we produce include:

5 corporate identity

- Business cards
- Letterheads
- Envelopes
- With Compliments Slips
- Note pads
- Invoice/docket books
- Fridge calendars
- Fridge magnets
- Promotional cards
- Postcards
- Presentation folders
- Stickers

variable data

6

Variable data is a great way to personalise your printed material. Whether it is simply inserting a person's name and address into a letter, or putting multiple pieces of information into a sales brochure or birthday / Christmas card, variable data printing allows you to add a personal touch which will be noticed by the recipient.

Use variable data for

- Mail outs
- Invitations
- Greeting/birthday cards
- Promotions
- Direct marketing material

Want to achieve that authentic paperback look but don't need thousands printed?

We can print your perfect bound books and give you that professional "published" finish, without the hassle or cost of having to sign a publishing agreement or print a large number of copies.

It is ideal for self publishing of titles, family histories and holiday/travel books. Because we use the latest in digital print technology we are able to print what you need when you need them, which in turn means you don't need to warehouse additional copies, saving you both money and space.

7 | book printing

Contact us today to discover how quick and easy it is to have your book professionally printed!

copying & finishing

Copying & scanning

Don't currently have a particular document as a computer file? That's alright, we can make copies from your hard copy scan it to file to touch it up or make changes, or even save it for future printing.

Finishing

Once your job has been printed, it's then a matter of applying the finishing touches. There are a multitude of binding and finishing options to choose from, and we can use our expert knowledge to help you choose the right option for the job.

Examples of binding and finishing options include:

- Binding - comb, coil, wire, thermal (fastback) & perfect
- Padding
- Guillotining
- Laminating
- Scoring
- Hole drilling
- Celloglazing (matt or gloss)

- Saddle stitching
- Folding
- Stapling
- Ring binders

large format
printing

8

Think big!

We can produce a variety of large format products including:

promotional products

At CS Digital, we work with you to understand the outcomes you are seeking with your customers or event delegates. We can help with one-off orders for specific campaigns or events, through to regular merchandise such as uniforms and pens.

Just some of the products we can supply include;

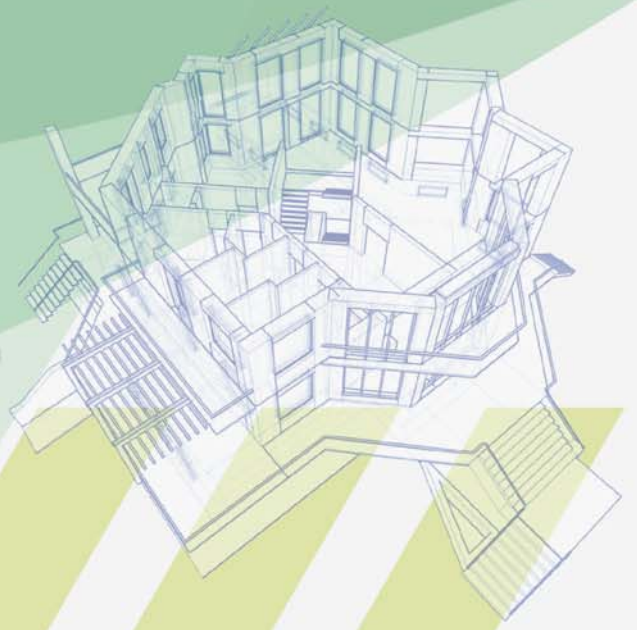

- Pens • Notepads • Water Bottles
- Bottled Water • Polo Shirts • Business Shirts
- Confectionery • Stubby Coolers • USB Keys
- Umbrellas • Stickers • Sunscreen

And just about anything you can imagine!

plan printing

Black & white or colour

With the latest in plan printing technology we can print or copy your plans with digital precision and accuracy. From computer file or hard copy we can print all of the standard page sizes plus many custom sizes. We can also print each set collated or uncollated and staple each set if required.

about us

12

CS Digital Print leads the field when it comes to providing digital design and print solutions. With over 20 years of experience in the industry, we have a great range of equipment all located under the one roof at our complete production facility in Wacol.

Supplying many well known Australian companies it has been crucial for us to maintain the highest levels of quality and customer satisfaction. This is clearly evident by the many long lasting relationships we have developed with our clients, some of which have been with us for more than a decade. Our team of design and print experts ranges from our qualified and experienced design department through to our production and finishing team and account managers.

Our extensive investment in the latest in digital printing and finishing technology allows us to produce our great range of print material in house, meaning we can enforce strict quality controls and have faster turnaround times than most other printers.

Conveniently located on Boundary Road at Wacol, we are easily accessible by the Logan, Gateway and Ipswich Motorways.
